

# *Winterhaven Water 2006 Water-Efficient Washing Machine Rebate Program*

- ! **REBATE:** The Winterhaven board has approved washing machine rebates for 2006. This is an excellent time to replace older machines with a more water-efficient model. Rebates of \$100.00 per home are available. Savings will also result from lower water use and therefore lower sewer fees.
  
- ! Washing machines must have the Energy Star endorsement for efficiency to qualify for the rebate.
  
- ! Only one rebate per home per year is allowed
  
- ! Resident must provide an original sales receipt for the purchase of the washing machine
  
- ! The washing machine must be purchased and installed in 2006
  
- ! Winterhaven reserves the right to inspect washing machine installation for verification
